Subject: Seeking permission for Bank Visit.

Respected Sir,

As per our discussion, we intend to organize one day Bank visit in your esteemed Bank for our F.Y S.Y & T.Y.B.Com. students as a part of their curriculum. Kindly accord permission to visit your Bank for a team of 85 members (80 students + 5 faculty), as per your convenience. The list of teachers and students will be provided to you beforehand.

Your co-ordination in this regard will help the students to have real insight of working procedure of an esteemed Bank.

Waiting with anticipation.

SITE MAP

BRANDHOPE FELLOWSHIP & KANGAROO ZOLA BANGSHAD NATIVE BIODIVERSITY GARDEN

1. BIODIVERSITY

The garden is designed to support a wide range of native species, including plants, animals, and insects. It features a variety of habitats, from open grasslands to dense woodlands, providing a rich environment for biodiversity.

2. PLANT SPECIES

The garden includes a diverse selection of native plants, such as eucalyptus, acacia, and various grasses. These plants are chosen for their ecological value and their ability to attract and support local wildlife.

3. ANIMAL SPECIES

The garden is home to a variety of native animals, including kangaroos, wallabies, and possums. The diverse habitats and food sources provided by the plants support a healthy and thriving population of these species.

4. INSECT SPECIES

The garden is a haven for a wide range of native insects, including bees, butterflies, and moths. The diverse plant life provides a rich source of food and shelter for these important pollinators.

5. EDUCATION

The garden is an excellent resource for education and research. It provides a hands-on learning experience for students and researchers alike, allowing them to study the interactions between different species and the impact of human activities on the environment.

6. RECREATION

The garden is a beautiful and peaceful place to visit. It offers a great opportunity for people to enjoy nature, take walks, and learn about the local environment. The garden is open to the public and is a popular destination for families and groups.

7. CONSERVATION

The garden plays a vital role in the conservation of native biodiversity. By providing a safe and healthy habitat for a wide range of species, the garden helps to ensure the survival of these species and the health of the local ecosystem.

8. COMMUNITY

The garden is a place where people can come together to learn, share, and work towards a common goal. It provides a great opportunity for community members to get involved in conservation efforts and to enjoy the benefits of a healthy and thriving environment.

Subject – Permission letter for Industrial Visit.

Respected Sir/Madam,

As per our discussion, we request for permission to conduct an Industrial Visit in your esteemed organization. We wish to undertake an Industrial Visit at your Institute to acquire practical knowledge in Microbiology and provide better insight of the subject in students. Our academic curriculum focuses on engaging students in practical experiences to observe the implementation of what they are taught in the college.

A group of around 30 students (including F.Y, S.Y, and T.Y) microbiology, along with 3 faculty members intends to participate in Industrial Visit. Kindly grant us permission for the visit and make arrangements for a tour in relevant departments in your Institute.

Thanking you in anticipation.

Sincerely,
Tejashri Vijaykumar Tambe
Assistant Professor

Prabhakar Patil Education Society's
Arts, Commerce & Science College Veshvi- Alibag

Department of Microbiology, Department of Botany and Department of
Chemistry Collaboratively organizes

Study tour

on

10th February 2023 at Vasantdada Sugar Institute, Manjari, Pune.

Program Report

Prabhakar Patil Education Society's Arts, Commerce and Science College Veshvi- Alibag had organised Industrial Visit to Vasantdada Sugar Institute Manjari, Pune on 10th February 2023. This event was organised by Department of Microbiology, Department of Botany and Department of Chemistry. The event was conducted by Prof. Tejashri Tambe, Prof. Pooja Mhatre, Dr. Tanmay Patil and Prof. Apurva Patil.

The journey began on 5:00 am from Alibag Bus stand and we reached at VSI on 10:30 am.

Mr.R.B Bhoite (Assistant Coordinator) guided and introduced us to various departments of the institution such as Molecular biology & Genetic engineering laboratory, Plant Tissue Culture laboratory, Instrumentation laboratory, Alcohol production unit and Bio fertilizer laboratory.

In molecular biology & Genetic engineering laboratory, we were informed about improvement of sugarcane plant through transformation process by Agrobacterium and biolistic method. Information regarding RNA and DNA amplification by PCR and Virus indexing by ELISA was explained in Molecular biology laboratory by Miss. Madhavi (Senior Project Associate).

Information about Screening and production of resistant sugarcane varieties by plant tissue culture was given. Different formulations of biofertilizers produced by VSI was shown and explained in detail. Department of winery and brewery was explained by Miss. Aarti Paswse and Mr. Digvijay (Senior Research Associate). Finally we visited to Instrumentation laboratory which contained various instruments such as HPLC, GS- MS, Flame Photometer, Kjeldahl Apparatus and UV- Spectrophotometer.

The departure timing from VSI was 5:15 pm.

All the Staff members and Research Associates of VSI supportively guided us throughout the visit.
