## Report Summary

### **Seminar On QR Code**

Prabhakar Patil Education Society's Arts, Commerce and Science College, Veshvi-Alibag, the department of computer science organized seminar on How to generate QR code in collaboration with Techno Titan Club.

The seminar was conducted in C.S. Lab and the arrangement was done by Techno Titan Club member. The Seminar was conducted by HOD of Computer Science Department Dr. Kailassingh Pratapsingh Rajput.

The students from various class were present to show the good attends. The students was curious on How QR codes generates, How it works etc. In seminar, the brief theory was discussed on QR code and demonstration as well as hands on training was given to students on Creating the QR code.

To,

The Principal,

PNP College, Alibag

Dear Madam / Sir,

National Science Day is being celebrated in our country on 28. February every year in commemoration of Sir C. V. Raman's discovery of the Raman Effect. The theme for National Science Day 2024 is "Indigenous Technologies for Viksit Bharat".

Indian Institute of Geomagnetism is a premier autonomous research Institute under Department of Science and Technology, Government of India. Magnetic observatory, Alibag is a prime observatory established in 1904 as a successor to Colaba Magnetic observatory.

It will put on display its own scientific achievements and pioneering work being carried on in the field of Geomagnetism and allied fields. Demonstration of scientific instruments, presentations will be arranged for students and teachers on 28<sup>th</sup> February, 2024.

We wholeheartedly extend our invitation to the students and teachers of your school college to attend the event.

We look forward to your active participation in making this event successful.

Last Date of Registration - 18<sup>th</sup> Aug, 2023

Last Date of Submission - 22<sup>th</sup> Aug, 2023

Theme for respective subjects are as follow :

#### Microbiology - :

1. Contribution of scientists in the field of microbiology
2. Parts of microscope
3. Structure of a bacterial cell
4. Morphology of cells
5. Transmission of a disease

#### Botany - :

1. Plant-Microbe Interactions
2. Climate Change and Plant Adaptations
3. Phytoremediation and Soil Health
4. Medicinal Plants and Ethnobotany
5. Plant Genetics and Genomic Research

### Physics :-

1. Chandrayaan-3.
2. Emission of different particles from Radioactive Elements.
3. Semiconductor Devices.
4. Internal structure of IC's.
5. Radio Communication System.
6. Modulation and Demodulation of signal.
7. Amplifiers and Oscillators.

### Chemistry :-

1. Green chemistry principles
2. Father of Chemistry
3. Preparation of indicator
4. Chemical compound with their names
5. Buffer solution
6. Aromatic compounds
7. Electrochemistry
8. Synthesis of paracetamol
9. Atomic models
10. chemical concentration term definition and formula
11. Chemical hazards symbol
12. Theories of an acid and base
13. Types of bond

### Zoology :-

1. Animal Behavior and Communication
2. Animal Adaptations
3. Endangered Species Conservation
4. Zoology and Ecosystem Restoration
5. Wildlife Trafficking and Illegal Trade

### Maths :-

1. Pascals Triangle
2. Vedic Maths
3. Fibonacci Numbers
4. Golden ratio
5. Geo-metry Measuring the Earth by shadows
6. The standard Symbols in mathematics.

### Computer Science:-

1. Robots of the Future
2. Artificial Intelligence as a Future
3. E-Waste Awareness
4. AI-Driven Precision Agriculture
5. Digital Environmental Education
